GOTCHA Car Service for Individuals with Mobility Impairments:

FSU offers GOTCHA car service to assist individuals with mobility impairments to and from their gates. GOTCHA will provide electric car transportation for each home game and will rotate between Lots: 1, 2, 3, 4, 5, 18, Champions' Way, and the bus drop off /pick-up circle at Gate H.

Pre-Game Procedures: GOTCHA cars will begin service approximately three (3) hours prior to the start of the game and continue for approximately one (1) hour after the game begins. GOTCHA cars will make a circuit of the listed Lots only. Please flag down a driver when you are ready to travel to your gate. Since the GOTCHA cars are road-worthy vehicles, they are not allowed to drive on sidewalks or grass. Therefore, please be in a location that is accessible to the cars so you can be picked up in a timely manner. If you are unable to flag down a driver, please call the GOTCHA Group at (866) 611-6472 for a GOTCHA car to be dispatched to your location.

Mid-Game Procedures: One GOTCHA car will remain on stand-by during the game in the event you need to leave the stadium. Please call the GOTCHA Group at (866) 611-6472 for a GOTCHA car to be dispatched to your location.

Post-Game Procedures: GOTCHA cars will resume service approximately thirty (30) minutes prior to the end of the game, according to the stadium clock. If you wish to use the GOTCHA car service, please proceed to one of the three designated pick-up/drop-off locations:

1. Near Gate H, at the new bus shelter, adjacent to the bus circle.
2. Near Gate D, at the new bus shelter, adjacent to the bus circle.
3. Near the Bobby Bowden statue at the Moore Athletic Center entrance.

Each designated location will be marked by a "Disabled Parking Program, Pick-up/Drop-off" sign. GOTCHA car drivers will focus their pick-up efforts to those designated locations only. If you are unable to flag down a driver, please call the GOTCHA Group at (866) 611-6472 for a GOTCHA car to be dispatched to your location.

Please note: The GOTCHA car phone number will ring for approximately one (1) minute before going to voicemail to allow GOTCHA time to answer incoming phone calls. Once you've reached a GOTCHA representative or voicemail, please indicate your present location, if standing next to your vehicle, its make/model and color, requested pick-up time frame, and the number of people needing a ride.

For your convenience, please refer to the map below designating **Post-Game** pick-up/drop-off locations as well as a picture of a GOTCHA car:
